

The Hamilton Pistol Club Inc.

By-laws

The following by-laws have been implemented by the Committee of The Hamilton Pistol Club Inc. (THPC). Any dispensation to these by-laws must be submitted to a Committee meeting for their consideration.

General Rules

1. Immediately on entering the range ensure the Range Safety Flag is raised at the gate and at the club house. Every member must electronically sign in using their membership card in the clubroom using the card reader. Visitors must sign and legibly write their name in the diary situated in the clubrooms and provide photo ID when requested.
2. Current Club IDs or THPC approved visitor IDs for visitors must be visible on the front of the upper half of the body and be immediately identifiable at all times when on THPC premises. During an official match, while on the line and under the immediate control of a match Range Officer, IDs may be temporarily removed.
3. STRICTLY NO SHOOTING IS PERMITTED OUTSIDE THE PRESCRIBED RANGE HOURS. 9am to 9pm daily.
4. Defined areas marked SAFETY ZONES are areas set aside where members may clean or repair guns, or show them to another person. NO AMMO is permitted in a Safety Zone. Dry firing is not permitted in any Safety Zone.
5. With reference to THPC Range Standing Orders, "Rifles (Pistol calibre only)" means pistol loads designed for pistol use, not rifle loads.
6. Shotguns are limited to lead birdshot no larger than #4.
7. Wearing of camouflage or "Para-military" clothing, (unless it is required to be worn as part of an official uniform, i.e. army, cadets), or wearing of clothing carrying offensive slogans or images is not permitted.
8. No alcohol or performance impairing drugs are to be consumed, prior to, or during shooting. Any person consuming alcohol or performance impairing drugs, or under the effect of alcohol or drugs while shooting will be asked to leave the range and the matter will be referred to the Committee for further action.
9. Smoking and vaping is only permitted in the car parking areas.
10. Everyone must wear adequate ear, eye and foot protection (closed shoes) while on any THPC range, with the exception of the Air Pistol range, where ear protection is not required.
11. All shooting undertaken by visitors and probationary members must be directly supervised by a "B" endorsed member standing close enough to the shooter to be able to immediately recover physical control over the firearm.
12. All present on the range must be able to understand and respond to all range commands. People with hearing, physical disabilities or language barriers must be able to demonstrate that they are able to safely participate in all club shooting activities prior to applying for probationary membership.

13. Juniors under 16 years must be under the direct control and individual supervision of a qualified Range Officer.
14. Junior club members aged 12 years and over may only shoot in competition if they have attended and passed the appropriate training programmes organised and conducted by the clubs training officer and hold the PNZ Junior Proficiency Badge.
15. No rifles may engage steel targets unless with approved ammunition (pistol loads only) and under the direction of a match official or under the direction of a CAS Range Officer.
16. Willful damage to any club equipment, structure or asset caused by irresponsible shooting or any other means will not be tolerated. Such actions will result in a Committee hearing to determine the future membership status along with financial reparation.
17. It is the responsibility of any member who witnesses willful damage or safety violations to safely stop the actions immediately and report the incident to a Committee member as soon as possible.
18. Reckless disregard for yourself or others will result in you being removed from the range by the Range Officer. This can also result in a Committee hearing.
19. In the event that you require first aid the incident must be recorded in the Incident Register located under the sign in counter.
20. In the event of a **serious emergency, dial 111**. Our address is **208 Airport Road**, which is located directly across from the Hamilton International Airport on Airport Road. If an ambulance is dispatched, have someone meet the ambulance at the Gate on Airport Road to show them the precise location of the emergency. This must be recorded in the Serious Incident Register and reported to the Committee.
21. All members have a responsibility to ensure that our facilities and equipment are maintained in top condition. Please be prepared and willing to attend Working Bees or contribute in ways that you are able.
22. When using the kitchen facilities, please clean up afterwards.
23. Upon completion of the days shooting the Range Safety Flag at the gate is to be removed and stored in the tube provided at the gate and the gate locked. Where possible, when leaving at night ensure at least 2 people remain to lock the gate.

Range and Firing Point Rules

24. No prohibited firearms or prohibited magazines or prohibited parts as defined by the Arms Act and Firearms Regulations may be used on the grounds of THPC.
25. All pistols must be transported to and from the club premises in a stout locked container.

26. A Range Officer must be on duty, responsible for all shooting and general behaviour. If no Range Officer is on duty, NO SHOOTING is permitted. The exception is the Air Pistol range where a person over 18 is required to supervise unlicensed shooters under 18.
27. Every person entering a range, whether member or visitor, places themselves under the direct control of the Range Officer and must, at all times, comply with the Range Officer's directions and instructions.
28. All safety violations will be dealt with immediately on the range by the Range Officer as appropriate. Serious violations may be referred to the Committee for further action.
29. Members are responsible for firearms under their control.
30. It is the responsibility of all shooters to make themselves familiar with the variety of firing point commands used in the various section matches. Rule Books are available as downloads from the Pistol NZ website (pistolnz.org.nz).
31. No person shall refuse to obey the instruction or directions of the Range Officer or other official conducting a match.
32. No person shall enter or leave the range with a loaded firearm.
33. With the exception of Safety Zones, no firearm shall be handled or loaded until the shooter is on the firing line and the command "LOAD" (or equivalent) has been given by the Range Officer. For CAS, all firearms shall remain unloaded except when under the direct supervision of a Range Officer on the firing line or in the loading area.
34. No person on the firing line shall fire the firearm until the command "FIRE", the target faces, or the audible beep of a timer has been given by the Range Officer.
35. The Range Officer shall personally check all firearms are cleared before ordering the range clear and allowing persons forward of the firing line. For CAS, the Range Officer delegates Marshals to supervise the loading and clearing of firearms at the load/unload tables while the Range Officer runs the next detail.
36. No person on the firing line shall handle in any way any firearm after range has been cleared or while any person is forward of the firing line.
37. No person shall move forward of the firing line until the Range Officer has cleared all firearms and given the order to move forward.
38. No firearm shall be removed from the firing line until it has been cleared by the Range Officer.
39. Any dropped firearm must be retrieved and cleared by a qualified Range Officer.
40. When not in actual use at the firing line, Pistols must be unloaded at all times. For benched firearms, Revolvers will have the cylinders open, semi-autos, the magazine removed and the slide locked back if possible. The club endorses the use of Range Safety Flags for benched firearms. Pistols may also be carried in an appropriate holster or closed bag / case.
41. Only Pistol NZ holster qualified shooters are permitted to holster and draw a loaded pistol.
42. Shooters who are not Pistol NZ holster qualified may only use a holster for retention purposes of an unloaded pistol.

43. Holstered pistols MAY NOT BE WORN outside THPC complex area. Pistols may only be removed from holsters, boxes or bags at the firing line or in Safety Zones.
44. Holsters and belts must comply with Pistol NZ and Match rules as appropriate.
45. It is the duty of all shooters to clean up their firing points at the completion of their shoot. The range should also be swept, brass removed and generally left in a clean and tidy condition.
46. All shooting (including long guns) must be under the direct supervision of a qualified range officer.
47. When on a range, but not in use on the firing line, long guns must be unloaded and clear then carried or put in a rack muzzle up. Long gun actions must be in a condition in compliance with the discipline being shot. (e.g. CAS = action open, IPSC/Multigun = chamber flag inserted). At all other times long guns are cased as per pistol rules.
48. MAXXTech ammunition is prohibited at THPC due to dangerous conditions when reloading this brass.
